Our encounter

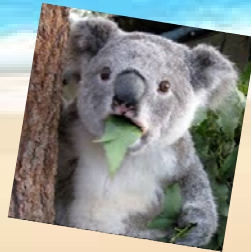

Why had
Ellen and Sugar
given such a
kindness to us?

My stay in Australia

Yuki Akahoshi

My stay in Australia

- We stayed **Warrnambool** from November 9 to 20 (2 weeks)
- We study **marine environmental science** at

Deakin University

There are many ranches
around Deakin
university!!

Where is Warrnambool?

I will talk about...

- Pre-reading
- Accommodation
- Sightseeing

Pre-reading

- We studied about **Coastal and Marine environments** by looking up a web site.
- name : MARINEBIO
- URL : <http://marinebio.org/oceans/>

MARINEBIO

- We learned everything from ocean currents, to chemistry, to continental shelves, to conservation from that site.

For example,

The ocean and temperature
Sounds of the sea

Pre-reading

- We did pre-reading at the **computer room** of Deakin University.
- We studied **14 chapters** in a week.
- Each of the chapters was **very long**.
- Pre-reading was really **hard work**.

But...

Pre-reading

Good luck on your pre-reading !!

Accommodation

- very close to the class room
- for 6 people

Accommodation

- Cooking!!

Accommodation

Good point

- Double bed
- Clean
- Safety

Bad point

- Washing machine

I don't
recommend to
use liquid
softener!!

Accommodation

- Because...

Accommodation

Recommend to bring

- Room Shoes
- Retort rice
- Lotion, Body cream
- Sunblock cream
- Lap robe

sightseeing

sightseeing

- Beach

Warrnambool has a lot of beaches.

Logans beach

We can see
whales in
September!!

- Little bit noisy

sightseeing

• Tower Hill

Kangaroo

- They are family

sightseeing

- Tower Hill

Wallaby

Black Swan

My stay in Australia

- Finally...
- Australian live with **nature**.
- Australian live with **animals**.
- Japan is an **island nation** same as Australia.
- But their consciousness of nature is different.

My stay in Australia

- I thought ...
- We should live thinking about natures.
- I want to save marine environment.
